

**2023 National Invitational
55 & Over Mixed Doubles
March 22-24, 2024, Scottsdale, AZ**

Individual Player Waiver Requests:

Individual eligibility waivers will not be accepted for the 2023 Mixed 55 & over National Invitational. Players that do not meet the match requirements will not be eligible to participate in the National Invitational.

Team Waivers, READ THIS ENTIRE SECTION:

Team waivers will not be accepted for 6.0, 7.0 and 8.0 levels. Team waiver may be accepted for the 9.0 level if a section was unable to run a league with at least 2 teams.

ANY TEAM coming via waiver must be comprised of at least 60% of at-level players. For example, a team made up primarily of 4.0 players is not an at-level 9.0 team. Teams that are receiving a waiver are limited to a maximum of 10 players.

ANY TEAM advancing directly to the National League Invitational via team waiver with no local or sectional play, may only have up to TWO (2) players from outside the section that they are representing at the National Invitational listed on their roster. A player's section residency association will be based on the player's listed section on their USTA account and the National Invitational Tournament Committee will verify those players' section residencies.
