The rating the player played with during the 2026 Championship Year/local season is the rating they must play with in this event with few exceptions. See below.

Examples:

- A player played during the 2026 Championship year as a 3.5 rated player. When YER were released in December of 2026 they were moved up to a 4.0. The player will play at the Mixed 55 & Over National Invitational held in 2027 as a 3.5 rated player, unless that player met the "clearly above level" threshold. A player who met the clearly above level threshold must play at the new higher rating.
- A player played during the 2026 Championship year as a 4.0 rated player. When YER were released in December of 2026, they were moved down to a 3.5. The player will play at the Mixed 55 & Over National Invitational held in 2027 as a 4.0 rated player.

Any S Rated, A Rated or DQ rated players who are promoted or DQ'd to a higher NTRP level via NTRP Grievance, "Player Promotion" or "Player DQ" any time prior to the Mixed 55 & Over National Invitational held in 2027 must play at the higher NTRP level.
