Required for Captain Access

- Team ID Request Submission is a commitment.
- Only submit if you have season long availability commitment from your players.
- TOTAL TEAM DEFAULT – less than majority of courts played.
- Do Not Enter scores for TTD without first notifying me.
- Match issues, Grievance, captains and players.

Need more players?

- Designate your team as an "open" team. Any player looking for a team in tennislink can find your team and register. You will receive an auto-email notice directly from tennislink.
- Designate your team as "closed but seeking." This will allow interested and eligible players to have a message sent to the captain through tennislink. Captains can then reach out if they are interested in bringing the player on to their team.
- Contact JJ Witter Jwitter@southwest.usta.com. She is our first line of contact for all players looking to join teams. New people reach out daily.
- Free Agent list – available through our website, email JJ for the password if needed.

Players on roster before they play:

Players must be registered and listed on roster prior to playing in first match. Possible DQ for match if not. Don't learn the hard way.

- Membership
- Eligibility – calendar year age, unless early start
- "At Level" regulation 60%

MOST IMPORTANT: Captains must fill the majority of the individual courts each week. Total Team Default: majority of individual courts not played. Defaulting team is subject to a grievance and further penalties.

Line Ups and Entering Scores

How should we exchange line ups?

Does it have to be on paper?

It is highly encouraged and a best practice to exchange lineups on paper. Registered players on blank score cards in TL.

After line up exchanged, can it be changed?

- If an unknown default occurs and other courts have not started, re-do both line ups

Staggered Start times:

- Visiting captain designates which individual courts will play earlier start times. Notify home captain 48 hours or more in advance. If visiting captain does not inform home captain 48 hours or more in advance, the home captain may make those designations.
- Only exchange line ups for the courts about to start. Possible injury or issue on the way to courts for last matches.

Winning team captains enter scores from the point of view of the winner within 24 hours following team match completion.

- Opposing captain logs in and confirms scores. Scores not confirmed by captain will auto-confirm 48 hours following initial entry.
- Timed match or retirement scores – only enter the games that were actually played.
- A SET tie break counts as one game. A MATCH tie break counts as one set AND one game.
- Score disputes – recommended that captain text opposing captain scores. Reply confirmation.

Play the tennis that has been scheduled for you and your players. Don't default courts. Don't rob others of the tennis they signed up for!

IMPORTANT REMINDERS

Hard Closing Times:

Home Captain's Responsibility to know & inform prior to match

Either Captain may declare Timed Match Rules (TMR.) If neither team elects to utilize TMR, the visiting players of any incomplete courts **must travel to original facility** for reschedule and match completion (or may decide to retire.) If home Captain fails to inform visiting captain of hard closing time and "Timed Match Rules" options, the **visiting team will choose** the facility location for reschedule and match completion.

Warm Up: Facilities are not required to provide courts for league matches prior to the match start time. Warm up is NOT practice. Warm up is 10 minutes ONLY including serves. It goes fast!

Defaults:

Known defaults must be recorded on the lowest line first. D3 before D2, S2 before S1, etc. **DO NOT** PLAY a match if a default has already been declared. All matches played regardless of start time shall stand.

Facility Protocols: Captains and players are responsible for understanding & following each facility's policies and rules.

Playoffs for Fall Season: Last date to complete all matches and Fall Playoff schedule will be posted on our Captains' Corner by end of September. Playoff formats are explained in D. Determining League Winners and Player Eligibility

**MOST IMPORTANT: Play the tennis.
Fill the courts!!**

Rain-outs and Re-Schedules:

- **GET IT RE-SCHEDULED** and "on the books" within 7 **days** of the original match date. All reschedules/rainouts must be completed by the "last match date" on playoff schedule. Deadlines vary by league/flight. We will be monitoring all un-played matches.
- **EMAIL** JJ Witter at jwitter@southwest.usta.com the match number, new date/time & copy opposing captain. I will update tennislink.
- **HOLD** all individual court scores until all lines are played. "Incomplete match"
- **REMINDERS** will be sent to captains if new date is **NOT** assigned in tennislink regarding over-due matches scores.
- **RESCHEDULE** date will be set by LLC IF both captains do not meet deadline for match re-schedule.
- **KEEP** written records of rescheduling efforts and offers to reschedule. It may come in handy.

Do your players lose interest over the season and becoming increasingly "unavailable?" I am happy to send a message to all rostered players for you and remind them of the commitment they made to you and the league. All players on a roster may be grievanced in the event of a TTD.

Bumped Players and Fall ES Season

If a player is "bumped up" at year end (Dec 1) to a level higher than the level they are currently playing, they may finish playing the regular fall season – but no post season play: no flight playoffs, no District, Section, or National Championships UNLESS the player receives notification of "Clearly Above Level." CAL notices are sent to all CAL players and their captains immediately after YER are published. (few)

For combined ratings leagues (55 & Over, 65 & Over, 70 & Over) a player may participate in listed championships IF paired with a player that keeps combined NTRP at level (or below.)
